

WELCOME TO **PAVE YOUR Path**

BREAKING THE CYCLE OF POVERTY | BUILDING SELF-SUFFICIENCY

WHAT TO EXPECT

Your first three sessions will be with our program director to complete your initial intake interview and begin goal setting. During this time, we will assess which of our program tracks will work best for you and your self-sufficiency goals. There is no “one size fits all” when it comes to making these types of life changes. With the program track as a guide, we will work together to shape your unique personal journey. After completing your initial three sessions, you will be assigned a mentor/life coach.

Our approach is holistic. This isn't about just creating a way to pay your rent or inching you just above the poverty line. We desire for so much more than that for you. We are dedicated to helping you reach your full potential and make lasting changes so that you can thrive. You are the expert on your life. We will guide you, but at the end of the day, you are setting and achieving your goals. We understand that a lack of resources can create complex challenges and we are prepared to offer relevant solutions. PYP doesn't offer financial support under any circumstances, but we are happy to help point you in the right direction for that type of assistance. We work closely with many other organizations in the area that help with crisis management. Our program is designed for long term stabilization and not crisis intervention.

You are not a number to us. From day one, you are wanted and welcomed into our program. We won't be plodding through a series of impersonal transactions. You can expect a dignified experience centered around real relationships.

WE ARE THRILLED YOU HAVE FOUND US.

Whether you feel excited or nervous about joining our program, know that we are here to help. We will be with you every step of the way.

Pave Your Path is dedicated to honoring the commitment you are making to change your life and help you achieve your goals.

This is your journey, and we are excited to help you **pave your own path.** You have entered a judgment free zone.
